

Altina Wildlife Park is 207 hectares of natural bushland situated on the banks of the Murrumbidgee River.

This outstanding **Safari Park** has unique personalised tours, accomplished in style via a Horse Drawn Cart furnished with comfortable seats. The open-aired and leisurely feel of the tour will allow you to experience **close up encounters** with our animals.

Whilst touring our Park that is cradled amongst majestic River Red Gums, observe many splendid native bird and animal species such as Parrots, Emus, Birds of Prey, Kangaroos and Goannas. The highlights of the tour are the **exotic animals** that roam in large open styled enclosures which are very content to feed near the cart as we stop for a closer look.

Soak up the tranquil atmosphere or just sit back and admire the view!

We cater for all groups and persons of all ages and highly recommend our tours for • families • school groups

• bus tours • business delegates • senior groups

with a large emphasis on education in a fun, friendly atmosphere and catering for personal needs with facilities available.
